# Departure

## 10<sup>th</sup> November

---

This is the day when we left from Pisa airport.  
In the evening, we arrived in Los Barrios, where we met the families and the Spanish students of the project.

# The first day

## 11<sup>th</sup> November

The first day we had a great time. We had lunch with paella and meat. They were very good! After lunch we had a chat with the Spanish girls, then we got home with our families.

# The second day

## 12<sup>th</sup> November

(3)

(2)

The second day was really special: we went to Seville and here we saw Real Alcàzar de Sevilla (1), Plaza de Espana (2), Torre del Oro and the Cathedral of Seville (3), where there is Cristoforo Colombo' tomb.

# The third day

## 13<sup>th</sup> November

The third day,  
we went to  
Gibraltar, an  
independent  
state under  
control of the U.K.  
and we saw the  
big mountain  
symbol of  
Gibraltar.

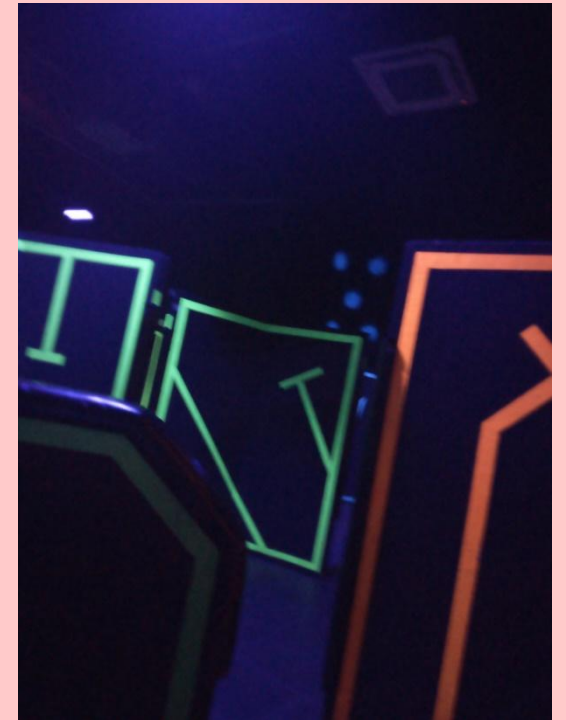

# The fourth day

## 14<sup>th</sup> November

The fourth day we really enjoyed ourselves.

We went to the games room together with the Spanish families to play bowling, virtual reality, laser paintball and climbing.

We had a snack and a cake for Giulia's birthday.

# The fifth day

## 15<sup>th</sup> November

The fifth day is  
our favourite.  
We went to  
Tarifa, an  
awesome  
beach.

Historical remains of the little and old town in Tarifa.

# Back home 16<sup>th</sup> November

This is the last day  
when we went to the  
airport of Malaga and  
we came back to Italy.  
It was a fantastic  
experience.
